

CHURCHES RESPOND

INVITATION

We invite all churches across KZN to come together to respond to the Covid-19 Crisis. We have a plan and we would love you to join us! We have two levels of response:

- Provincial coordination and support level, and
- Local action level through activating existing fraternals to become LEANs.

WHAT IS A LEAN?

A LEAN (Local Ecumenical Action Network) is a re-envisioning of the fraternals and Christian Associations that reach into every town, village and informal settlement across KwaZulu-Natal. How can we leverage relationships with other churches and civil society organisations, in order to provide the best response for our churches and communities? A LEAN is made up of:

- A group of churches from different denominations (and civil society),
- In a specific place, connecting together to respond to the COVID-19 related issues faced by that community.

WHAT DOES LOVE LOOK LIKE?

Who are the most vulnerable

- Where are they, what are their needs, and how can we meet them?
- Include issues of GBV, child abuse, hunger, etc.

WHAT ARE OUR SHARED RESOURCES?

Create a list of resources that your community possess

- What skill do we possess, that we could support to help meet needs?
- What physical spaces do we have that can be used?
- What funds are available?

PROVINCIAL RESPONSE

Our plan consists of 5 areas of action. There are 3 immediate actions you can take:

1.

We need to raise R13.8 million for vulnerable families.

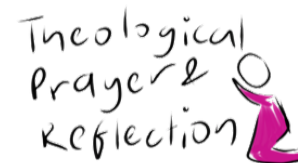

[Click here for more.](#)

2.

Communication is key to linking local action. Please follow our social media and share what you are doing.

3.

Are you an intercessor? Please join our team and email:
