

LET US STAND FOR PEACE

KWAZULU-NATAL
CHRISTIAN COUNCIL

**BLESSED ARE THE PEACEMAKERS,
FOR THEY WILL BE CALLED
CHILDREN OF GOD. MATTHEW 5:9**

The KZN Church Leader's Group urge you to stand for peace!

We are all reeling from the recent incidents in the province. It is true that our country faces enormous problems of hunger, unemployment and injustice. Blaming different groups of people based on their race, ethnicity or nationality is not the solution.

Let us be the Peacemakers, the Children of God.

WHAT CAN YOU DO NOW?

1

TALK & LISTEN: Work with community leaders to get all people in the neighbourhood to come together to talk and listen to different people's experiences (Remember COVID-19 safety measures!) How do different people experience violence?

2

MOBILISE AGAINST INJUSTICE: As you start dialoguing with the community, work together to address issues such as poverty reduction, food insecurity and unemployment. Please share your ideas with us so we can share them with other communities

3

BEWARE OF FAKE NEWS: Be careful what you share on social media. Does it create fear and insecurity? Fact-check before you send anything.

4

PLAN FOR PEACE: would you like to set up a peace monitoring system to support early intervention to de-escalate conflict and support mediation & peace-building? Get in touch with us.

*With thanks to the **KZN Response Team** for printing this information*

IN OUR HOMES, COMMUNITIES, WORK-PLACE, SCHOOL, FAITH COMMUNITY & SOCIAL NETWORKS LET US WORK TOGETHER FOR PEACE AND JUSTICE.
